

Our residents have been keeping both their hands and minds busy this month with plenty of indoor gardening and games. Staff and residents enjoyed all the festivities celebrating Xmas in July. Plenty of laughter and dancing.

Some connections are truly timeless, and the bond between Pam and her daughter Rosemary is one of them. At Sunnyside, we are privileged to see moments like these every day. The love and care Rosemary shows her mum is heartwarming. Seeing Pam's face light up and hearing her laughter when she's with Rosemary is a beautiful reminder that it's often the simplest moments in life that bring the greatest joy.

We got to enjoy a wonderful outing to the Camperdown Theatre for the popular Morning Melodies, where we all sang along to familiar tunes and shared a lovely morning together.

RESIDENT SPOTLIGHT

Terry and Elaine's story began when they met in their early twenties, and 67 years of marriage later, they remain the best of friends. When asked the secret to such a long and happy marriage, they both gave the same answer: friendship, doing everything together, and always working as a team. Elaine grew up in Terang and Terry in Glenormiston. Early in their marriage they made their home in Terang, where they enjoyed attending local dances and balls together. Terry, one of ten children (eight brothers and two sisters), and Elaine, one of four, both grew up with strong family values that continue to shape their lives today.

Together they raised three sons and are proud grandparents to two grandchildren. They lovingly describe their daughter-in-law, Julie, as "the daughter we never had." They have also shared many adventures, travelling to Paris and Malaysia, where two of their sons now live.

Elaine has always enjoyed craft, lovingly making baby blankets to donate and sell within the community. Reflecting on his life, Terry simply said, "I've had a good run at life." Today, Terry and Elaine call Sunnyside home, where they continue to share the same love, friendship, and unwavering support that has been the foundation of their remarkable life together.

STAFF SPOTLIGHT

Growing up on a farm in Pomborneit, Dot believes this is where she developed her strong work ethic she is known for today. She has called Camperdown home since 1978 and is one of 12 children, with six brothers and five sisters.

For Dot, family is everything. Outside of work, her greatest joy is spending time with her family, especially her grandchildren.

At Sunnyside, it is the relationships she has built with our residents that make each day so rewarding. Dot says chatting with residents fills the void left by no longer having her own parents or grandparents, making the connections she shares here incredibly meaningful.

Thank you, Dot, for 15 years of dedication and commitment to Sunnyside.
