# Snippets

October 2025

Things took a spooky turn at Sunny- **SPOOKY** side as we celebrated Halloween! The halls were decked out with just the right amount of frightful fun to keep everyone smiling. There were plenty of giggles (and a few double-takes) as residents tried to work out who was behind the makeup and masks. One thing for sure, the costumes were frightfully good this year! A big thank you to our creative staff for their enthusiasm and effort—you certainly cast a spell of happiness over everyone!

*"Here's to cherishing yesterday's memories, celebrating today's moments, and looking forward to tomorrow's joys, together."*

# The Heart of Sunnyside

There is always something special about the friendships made at Sunnyside House. From daily chats, shared hobbies and activities to celebrating milestones together, these bonds make our home a warmer, happier place.

## CEO Report

Dear Residents, Families, and Staff of Sunnyside House,

What a month October has been! Between the wild weather swings and chilly spring days, our community has certainly felt the change of season. Thankfully, we kept the cold at bay with plenty of laughter and activity – especially our Halloween dress-up day, which brought out some truly creative (and spooky!) costumes.

A highlight this month was the incredible circus performance “Casting Off,” which delighted residents and staff alike with its humour, skill, and energy. It was a wonderful reminder of the joy that shared experiences can bring.

Looking ahead, our Annual General Meeting (AGM) is scheduled for Wednesday, November 26th. Please RSVP if you intend to attend – your participation and input are greatly valued.

Now, as we turn our eyes toward the festive season, excitement is building for our Christmas celebrations. Plans for parties and gatherings are well underway, and we’re all hoping for a little extra sunshine to brighten the days ahead.

Kind Regards,

Jo Forrest (CEO)
