#### GARDENING GROUP

We are very lucky here at Sunnyside House to have our gardener, Morgan, who runs a gardening group every Tuesday. Residents have been so excited to grow and taste fresh produce, including carrots, strawberries, broccoli, and snow peas. All grown right here at Sunnyside. Our gardens are beautiful and full of variety, with many colourful flowers for everyone to enjoy.

We Thank our wonderful gardening team for the wonderful work they do around the grounds.

#### CONNECTION, MUSIC & SMILES

Sunnyside is a place where our loved ones can continue to enjoy the simple pleasures of everyday life, just as they would at home. Our focus is on happiness, connection and meaningful moments. You will often see Greg B walking around with a big smile, chatting happily with staff and fellow residents. Peter S regularly brings joy to the home by coming down to the main lounge room to play his button accordion, with residents singing along and sharing in the music together. These moments of laughter, music, and friendship are what make Sunnyside such a special place to live.

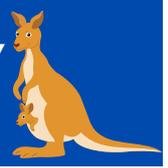

**SUNNYSIDE STAFF ARE ALWAYS SMILING**

# AUSTRALIA DAY CELEBRATIONS AND POOL PARTY

Australia Day was celebrated in style here at Sunnyside House. Residents enjoyed a fun pool party with a variety of activities set up for everyone to take part in. Shallow pools were also available, allowing residents to safely dip their feet into the water and cool off while enjoying the relaxed, festive atmosphere. It was a wonderful day filled with smiles, laughter, and shared enjoyment.

Lunch followed with a lovely BBQ, and a big thank you goes to our amazing kitchen team for putting on such a delicious meal. Staff also dressed up for the occasion, helping to brighten the day even more and adding to the fun, festive atmosphere enjoyed by everyone.
