

WE ASKED OUR RESIDENTS "WHAT ADVICE WOULD YOU GIVE YOUR YOUNGER SELF"

Our residents recently shared some heartfelt wisdom by answering the question, "What advice would you give your younger self?" Their responses were thoughtful, humorous, and full of life experience.

It's been a busy month for our residents, we have been to Port Campbell for lunch, a bus trip to Lismore, cooking, birthdays and lots of games.

OPEN DAY & FUNDRAISING

Thank you to everyone who joined us to celebrate 75 wonderful years of care, community and memories at our Open Day. It was so special to share this milestone with residents, families, friends and the wider community.

Thank You

A heartfelt thank you to the Ladies Auxiliary for their generous cheque and ongoing support of Sunnyside House.

Horsham born and raised, Doreen spent much of her younger years moving around the country with her family while her father worked as a wheat farmer. She later dedicated many years to farm life herself, milking cows before eventually purchasing her own farm. Doreen is the proud mother of three daughters and grandmother to three grandchildren, whom she describes as her greatest achievement. She has travelled extensively throughout Canada, United States and every state of Australia, but says the simple moments mean the most – especially when her grandson Liam gives her a hug and says, “I love you, Nan.” Doreen loves life, enjoys helping others, and continues to bring warmth and kindness to those around her.
