November 2025

Happy Birthday

Jeff & Claire

Melbourne Cup Day

The excitement of Melbourne Cup swept through Sunnyside bringing plenty of laughter, color and cheer! Residents and Staff joined in the festivities, donning their finest race-day outfits. The ladies looked stunning in their fascinators, while the gentleman sported their best ties and hats. The room was truly full of style and smiles!

Our Annual Melbourne Cup sweep was a highlight of the day, with much anticipation as the race got underway.

Congratulations to Andy who won first prize, followed by Denise in second place and Brian taking out third place.

There were cheers, a few groans, and lots of good natured fun as we celebrated the thrill of the race together.

The spirit of the day reminded us all that a little friendly competition and shared laughter can make any day special.

It was so wonderful to see so many residents getting involved, whether by joining the sweep, dressing up, or simply cheering on their favourite horse. Days like these truly highlight the vibrant community spirit we are so proud of here at Sunnyside House.

Harmony Day

Sunnyside celebrated Harmony Day in the main lounge, where all residents enjoyed the wonderful show put on by our staff. Everyone had the chance to learn about and appreciate the many different cultures represented in our community

Annual General Meeting

Our recent Annual General Meeting which was held on Wednesday, 26/11/2025 was a wonderful opportunity for residents, families, staff, and community members to come together to review the past years accomplishments and discuss our priorities and plans for the year ahead. During the AGM, the Board reinforced that resident wellbeing remains our utmost priority. All initiatives, investments, and improvements discussed are focused on enhancing the safety, care, quality, and daily experience of those who call Sunnyside House their home. Thank you to all who attended.

*"As November blooms quietly around us, may kindness be the colour of our days"
"Small moments shared create the biggest smiles"*
