# RESIDENT SPOTLIGHT

Craig has been part of the Sunnyside House community for the past 18 months and has truly enjoyed getting to know the staff. More recently, he's also enjoyed building connections with team members beyond the nursing staff, making his time here even more rewarding.

Known for his great sense of humour, Craig keeps everyone smiling. He jokes that Jo is the only woman he knows who can drive and eat a burger without dropping a crumb!

Craig retired at 60 after a career in the paper industry. Originally from Melbourne, he later moved to Colac and then Camperdown. He has a passion for travel and spent over 10 years exploring the world, including trips to America and the UK. He also lived and worked in the UK for four years—an experience he looks back on fondly.

In his downtime, Craig enjoys reading history books and biographies. Looking ahead, one of his goals is to travel back to Perth to visit his brother.

# STAFF SPOTLIGHT

Celebrating Vikki – Nearly 10 Years at Sunnyside!

Vikki has been a valued staff member of the Sunnyside team since 2016, working as both a PCA and in Lifestyles. Over the past ten years, she has become a familiar and beloved face to residents and staff alike.

Vikki's favourite part of her role is the residents. She loves caring for them, bringing happiness to their days, and always finding ways to make them smile. Known for her positive attitude and infectious energy, Vikki keeps our residents entertained while providing the kind, compassionate care that we all admire.

When asked what's important to her, Vikki shared, "Family and friends." It's clear that the warmth and caring she shows in her personal life shine through in the way she engages with everyone at Sunnyside.

We're so grateful for Vikki's dedication, positivity, and the joy she brings to our community. Here's to celebrating her incredible journey with us!

We love sharing the stories and talents of our community! If you would like to contribute to our snippets—whether it's artwork, a piece of history, a story, or something else—please feel free to email [spaton@sunnysidehouse.com.au](mailto:spaton@sunnysidehouse.com.au)
